ARTICLE 5. Grievance Procedure

Purpose

To resolve alleged grievances of certified personnel at the lowest possible administrative level.

Definitions

Grievance shall mean an alleged violation of the terms and conditions of an employment contract of certified personnel.

Grievant shall mean any person or group of persons employed with USD 214 that are certificated with the Kansas State Department of Education.

Procedures In General.

The adjustment of grievances shall be accomplished as rapidly as possible. To that end, the number of days within which each step is prescribed to be accomplished shall be considered as maximum and every effort shall be made to expedite the process. Under unusual circumstances, the time limits prescribed in this statement may be extended or reduced by mutual consent of the grievant and the person or persons by whom the grievance is being considered.

It is the responsibility of the grievant to utilize the procedure for adjusting grievances as soon as the grievant is aware of a grievance. A grievance shall be waived unless level one proceedings are initiated within (10) school days after the act or condition on which the grievance is based/occurred.

Level 1. A grievant shall first take up the grievance procedure with an immediate superior in a private, informal conference(s). Every effort shall be made to adjust the grievance in an informal manner. If the grievant is dissatisfied with the outcome of the initial private conference(s), the aggrieved person may request a formal conference with their immediate supervisor. Every effort should be made to develop an understanding of the facts and the issues in order to create a climate which will lead to a solution.

Grievances will not be valid for consideration unless the grievance is submitted in writing within five school days of the date of the informal conference(s) with an immediate superior. The formal conference shall occur within ten days of the last informal conference. Failure to file any grievance within such period shall be deemed a waiver thereof.

Level 2. In the event that the aggrieved person is not satisfied with the decision of his/her grievance at Level 1, or in the event that no decision is reached within ten school days after the presentation of the grievance, the aggrieved person may appeal the matter in writing to the Superintendent of Schools.

If the grievant appeals the grievance to the Superintendent, the Superintendent or the Superintendent's designated representative shall confer with the grievant in an effort to arrive at a satisfactory solution within ten days after the appeal has been received by the Superintendent.

If the grievant does not appeal the grievance to the Superintendent within thirty school days after the formal conference at Level 1, the appeal of the grievance shall automatically be waived.

Level 3. If the grievance is not adjusted to the satisfaction of the grievant or if no decision is made thereon within ten school days after date the grievance was filed with the Superintendent or the Superintendent's designated representative under Level 2, then the grievant may appeal the grievance to the Board of Education by submitting a written request to the Clerk of the Board within ten days after the Superintendent or the Superintendent's designated representative has rendered a decision or after the expiration of said twenty days.

The Board shall, within twenty school days after receipt of the written request, meet and confer with the grievant and render a decision which shall be considered the final disposition of the grievance under this procedure.

Supplemental Conditions

All individuals involved, and all others who might possibly contribute to the acceptable adjustment of a grievance, are authorized and urged to testify at any level except Level 1 with full assurance that no reprisal by either party will follow by reason of such participation.

Upon the final determination of the grievance, the documents, communications and records, excepting a record of the grievance and the final adjustment thereof, and excepting records by law to be kept and maintained, shall be destroyed.

At each step of the procedure for adjusting grievances, after the initial private conference(s) with an immediate superior, the grievant shall be entitled to be accompanied by others who might contribute to the acceptable adjustment of the grievance and/or to be represented by legal counsel, which shall not preclude legal involvement for administrators or the Board of Education.

All grievance hearing shall be confidential with the exception of the 3rd level which may be made public.

Discussion of grievances may be held during the school day at the grievant's school, but not during class time for the grievant.

All hearings shall be conducted at time other than when school is in session.

Excluded from the grievance procedures shall be matters for which law mandates another method of review.

Only the employee affected may file a grievance or an appeal from level one and two.

The filing of a grievance at all levels shall be in writing and shall be reasonably specific as to the nature of the complaint. The grievant should, to the extent possible, describe the alleged event or act giving rise to the grievance including the time, date, and place of the event or act and the names and addresses of any witnesses thereto.

Secondary Objectives: The secondary objectives of the Early Retirement Program are to reward employees for their years of service to the district, to enhance the benefits of employment, and to facilitate the necessary and/or desirable early retirement of employees.

Any eligible employee may elect to take early retirement under the terms and conditions set forth in this plan. Early retirement is entirely voluntary and at the discretion of the eligible employee.

Employees of Ulysses USD 214, who may find it necessary or desirable to resign or retire from employment with the district prior to age sixty-five (65) may elect to resign or retire with benefits in accordance with the terms and conditions hereinafter specified.

EARLY RETIREMENT incentives are defined for purposes of this provision as those benefits to which an employee is entitled and which are paid annually to said employee following the last year of employment until the end of the school year* in which the employee attains age sixty-five (65). The employee shall be entitled to no more than three (3) years of benefits. This retirement benefit shall terminate in the event of death and no payments shall be made to a beneficiary.

*school year (August 1 -- July 31)

An employee who takes early retirement shall have the responsibility to keep the school district informed of his/her current mailing address and telephone number.

The school district shall not make early retirement incentive payments to any employee who has not already begun receiving retirement benefits from KPERS. KSA-72-5395

- B. The age of the individual
Priority of applicants shall be the greatest total of A + B
- C. In the event of a tie, the person eligible shall be the person with the earlier birthday in the calendar year.

If the maximum number is reached in a given year, for what remains of the three-year period, the retiree can enter the pool at the first opportunity that the maximum number drops below four. [++Once an eligible person has been approved for retirement, but was not able to enter the pool because the maximum number had been reached, that person's right to enter the pool at the first opportunity shall have priority over another applicant for retirement trying to enter the pool at a later date.] In any situation resulting in a tie, the tie-breaking procedure above will be used.

APPLICATION An employee may apply for incentives by giving written notice to the Superintendent. Retirement must be approved prior to, or concurrent with, the Early Retirement request. An applicant for Retirement and Early Retirement pay must apply between August 1 and March 31 of the school year preceding the school year in which benefits are to be paid.

Written notice shall be submitted to the Superintendent, to include the following information:

Following final action by the Board on any application for retirement, the Superintendent shall notify the applicant in writing of the final disposition and the date and amount of incentive benefits to be paid.

BASIS OF INCENTIVE BENEFIT:

The incentive benefits hereunder shall be a monthly or yearly payment determined by the following formula:

† Last calendar year's wage subject to KPERs

x 1%

x Total whole years of USD 214 employment

+The maximum amount of payment will be \$8,000 each year for three years.

The Early Retirement Program will be reviewed annually through the negotiation process; however, for any retiree already in the program, the provisions of the program in effect at the time of retirement shall be guaranteed.

Early retirement benefits will be deposited into a 403(B) account for each participant in the early retirement program.

ACKNOWLEDGMENT OF FINANCIAL LIABILITY

The Board and the Association shall agree on the total amount due previous certified retirees, not including those retiring after the current school year, for the upcoming school year. After all other matters affecting finance have been settled through the negotiation process, the above agreed upon amount for previous certified retirees shall be deducted from the total amount negotiated for salaries and the base salary shall be adjusted accordingly.

ARTICLE 14. Health Insurance—Medical Coverage

- A. The Board will provide a group medical plan to all half-time or more certified teachers/administrators. The Board contribution shall be up to \$314.80 (or a single premium, whichever is less) per employee per month for all employees in the plan. Dependent coverage may be made available for those eligible employees desiring to cover their dependents. This contribution may be made under the Section 125 plan, or otherwise made by the employee.
- B. It is agreed that the Board of Education may revise, amend or modify this plan at its option at any time. It is further agreed that the benefits payable, and the funding method (whether fully insured or partially self-funded) will be determined by the Board.
- C. If the benefits payable or premium amount is not sufficient to continue to offer this benefit, the plan will be subject to termination.
- D. Benefits or premiums paid due to this plan will not be considered to be a part of the District's Salary and Wage Schedule.

E. The Board will welcome advice from the District Benefits Committee concerning the plan. The Committee shall be comprised of an administrator appointed by the Board, a member of GCTA, a teacher who is not a member of GCTA jointly appointed by GCTA and the Board, a member of the non-certified staff appointed by the Board, and a member of the Board. Any recommendations concerning changes must be received at least 35 calendar days prior to the requested change or contract anniversary date.

ARTICLE 15. Sick Leave Pool

All employees shall be entitled to ten non-accumulative, non-bank sick leave days each contract year to be exhausted before accessing bank days. This sick leave shall cover absences for the employee's own illness, illness in the employee's immediate family (defined below), or persons who make their home with the employee. This non-accumulative leave may also be used as bereavement leave for members of the employee's immediate family.

Once the 10 days of non-accumulative sick leave have been used, then each eligible employee shall be permitted to use needed sick leave from the sick leave bank established by the Board of Education, as follows: Beginning with the first year, an employee may use up to ten days from the sick leave bank for each year of his/her employment of USD 214, including the current year of employment; but in no event, shall the accumulative entitlement in the sick leave exceed "eighty" days for each said employee. Accrued sick leave is available at the beginning of the contract year. Sick leave is renewable each year for certified staff regardless of prior usage.

The sick leave bank shall contain 500 days at the start of each school year. Once 500 days have been used from the sick leave bank, by all employees, in any school year, no further leave shall be granted from the sick leave bank. Days in the sick leave bank are not applicable to family illness and shall cover absences for the illness of the employee only. Further use of sick leave days shall terminate at the time a physician states the employee is able to return to work.

In the event of the death of an eligible employee, the unused portion of the employee's sick leave shall be paid as a death benefit to the employee's estate, or to his next-of-kin, as follows:

Whenever the employee's estate is being probated, the death benefit shall be paid to his duly appointed executor or administrator. Whenever the employee's estate is not being probated, and sufficient evidence is presented to the satisfaction of the Board as to the persons comprising his/her next-of-kin and heirs-at-law, and sufficient evidence is presented to the satisfaction of the Board that all claims and debts against his/her estate have been paid and satisfied, the Board may pay said death benefit to his/her heir-at-law.

All personnel using sick leave, upon the request of the Grant County Teachers' Association, Board of Education, or administration, must produce verification of illness from a doctor before such sick leave shall be granted with pay. The sick leave pay shall be computed on the basis of a contract school term of 190 days.

The death benefit pay shall also be computed on the basis of a contract school term of 190 days. Said death benefit may be paid only as a death benefit or as a life insurance benefit, and shall not be considered as sick leave, or salary, or a bonus. Notwithstanding anything herein above contained to the contrary, in the event of the death of a certified employee, the minimum death benefit payable to the employee's estate or to his/her next-of-kin, as aforesaid, shall be the sum of \$2,500, but no death benefit will be paid in the event of suicide of the employee.

Addendum: certified staff may donate a maximum of two (2) days per year from their 10 non-accumulative sick leave days to a colleague. The employee receiving the donated days must have used all their available leave (all non-accumulative sick leave days, all sick leave bank days, and all personal business days) before they can receive donated days. The Central Office will notify the building administrator when the situation occurs. This addendum will sunset at the end of the 2012 - 2013 school year unless GCTA and USD 214 agree to continue it.

Definition: Immediate family - Husband, wife, son, daughter, mother, father, grandparents, grandchildren, brother, sister, aunt, uncle, niece, nephew, and in-laws of the previous list where appropriate, step-child, and step-parent. The Superintendent will make final determination of other questionable requests.

ARTICLE 16. Maternity Leave Policy

Certified staff members will be able to take up to thirty days of paid leave for the purpose of maternity or adoptive leave. The days will be deducted from the certified staff member's personal sick leave. Only certified staff members that adopt a child(ren) under the age of 18 months will qualify for the maternity leave policy.

ARTICLE 17. Temporary Paid Leaves

Each employee may be allowed three days of leave with full pay per school year, accumulative to a maximum of four days, for personal business/legal reasons and/or non-family bereavement within the guidelines established by the Board of Education. Each employee who used 2 or fewer personal business days shall receive \$100 for each unused day. One unused personal business day shall not be paid and it will carry over to the next contract year. Each employee may be allowed two additional days of personal leave per school year for personal reasons with a deduction in pay equal to the cost of a substitute. Personal leave is allowed providing a substitute teacher can be obtained.

Personal leave shall not be approved for days immediately preceding or immediately following any vacation period except in emergency and dangerous conditions as approved by the Superintendent. Such approval shall be considered upon receipt by the Superintendent of a signed explanation of the circumstances.

Personal leave must be pre-arranged with the principal and the Superintendent or it shall be disapproved.

Any teacher absent from work for days not covered by sick leave or personal leave will have pay deducted for those days missed at a rate of 1/190 of his/her contract salary for each day absent from work.

Funeral leave, other than family, shall be on the following basis:

- A. For one day of absence -- one day of personal leave.
- B. For one-half day of absence -- one-half day of personal leave.
- C. For approximately 1 to 1 1/2 hours of absence -- if covered by the rest of the staff, no use of personal leave.

ARTICLE 18. Jury Duty

Upon receiving a subpoena or a notice to serve on jury duty, the employee should immediately notify his/her building principal, who will in turn notify the Superintendent.

An employee released to serve on jury duty, or to answer a subpoena for which neither the employee nor his/her immediate family is a litigant, will receive his full salary during the period of such service less an amount equal to any compensation paid him for such service.

ARTICLE 19. Sick Leave Incentive

Each returning certified, non-administrative staff member who the previous school year missed fewer than 5 regularly scheduled duty days which were charged against sick leave shall receive \$100 per day up to 5 days according the following formula:

$$5 - (\text{Sick Days Absent}) \times \$100 = \$\underline{\hspace{2cm}}$$

This money shall be added to the September paycheck.

ARTICLE 20. Duty Year

See Attachment C – Duty Year (As per employment contract)

ARTICLE 21a. Duty Day

	<u>Arrival Time</u>	<u>Departure Time</u>

In the event of an emergency, a professional staff member may obtain leave from the building through the principal. Personal business for monetary gain shall not be conducted on school time.

ARTICLE 21b. Preparation Period

Each professional employee shall be provided preparation time of no less than forty-five minutes per day, except when periods are shortened to accommodate assemblies, programs or other school activities. Extenuating circumstances will be worked out between the individual teacher and administrator.

ARTICLE 22: One-Half Record-Keeping Day

One-half day at the end of the first nine-week period and one-half day at the end of the third nine-week period will be scheduled for staff record-keeping with no students in attendance. These half days will be scheduled sometime from the last day of the nine-week period to the day before the day of Parent Conferences at the discretion of the Board of Education.
