

TITLE I, Part A

USD 214-Ulysses has three Title I schools; Hickok Elementary, Sullivan Elementary, and Kepley Middle.

Title I Part A of the Elementary and Secondary Education Act is a federally-funded program which provides supplemental support to students in high-poverty schools. The purpose of Title I is to ensure that all children have a fair, equal and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging State academic standards (ksde.org).

Ulysses High is **not** a Title I school.

The following information is presented for your access and review.

- Score reports for state assessments are mailed home on an annual basis. Students in grades 3-8 take a mathematics and English language arts test each year. Additionally, students in grades 5, 8, and 11 take the state science assessment. Feel free to contact your school should you need another copy.
