

USD 214 – Ulysses
“A great place to grow, learn and succeed!”

Phase 2.3

In Person

All staff and students in the building

Teaching and learning takes place in school buildings with basic and/or extensive health changes and accommodations to provide for a safe learning environment. Remote Learning - Daily logs will be required to show time spent learning.

Building at 100% capacity

Phase 4

Hybrid

Learning in school and at home

Students will learn in the building two/three days. Days when students are not in the building they will do remote learning from the home. Remote Learning - Daily logs will be required to show time spent learning.

Building open for 50% capacity

Phase 5

Learning done at home

Students will receive instruction and complete coursework while at home. Times spent on coursework at home will be the same as if they were at school. Daily logs will be required to show time spent learning.

No students allowed in buildings

USD 214 – Ulysses
“A great place to grow, learn and succeed!”
